

Wellness Policy Assessment

This template provides information on wellness policy goals and practices within the District. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school building by the assigned building-level wellness policy coordinator. Assessments will be reviewed by the Superintendent and the District Wellness Committee. The completed assessment and the district wellness policy must be made available to the public.

District Name: McClusky School District 19

Reviewer: Wellness Committee members Heidi Strobel, Sarah Beck, Shari Roth, and Andrea Lauer; not present PE/Health teacher

School Name: McClusky Public Schools

Date: Thursday, May 30, 2019

Select all grades: K 1 2 3 4 5 6 7 8 9 10 11 12

 - Public

We have a wellness policy coordinator in charge of compliance for each school building.
Name/Title: [Click or tap here to enter text.](#)

We make our policy available to the public annually.
Please describe: [Click or tap here to enter text.](#)

Our district reviews the wellness policy at least once annually.

Yes No II. Physical Education

Our district's written wellness policy includes measurable goals for physical activity.

We provide physical education for elementary students on a weekly basis.

We provide physical education for middle school during a term or semester.

We require physical education classes for graduation (high schools only).

We provide recess for elementary students on a daily basis.

We provide opportunities for physical activity integrated throughout the day.

We prohibit staff and teachers from keeping kids in from recess for punitive reasons.

Teachers are allowed to offer physical activity as a reward for students.

We offer before and after school physical activity: Competitive Sports Non-Competitive Sports Other clubs

Yes No III. Nutrition Education and Promotion

Our district's written wellness policy includes measurable goals for nutrition education and promotion.

We offer standards-based nutrition education in a variety of subjects (e.g. science, health, math, etc).

We offer nutrition education to students in: Elementary School Middle School High School

We promote healthy eating and nutrition education with signage, use of creative menus, posters, bulletin boards, etc.

We have reviewed *Smarter Lunchroom* techniques and evaluated our ability to implement some of them.

We place fruits and vegetables where they are easy to access (e.g. near the cafeteria cashier or near the front of the line).

We ensure students have access to hand-washing facilities prior to meals

We annually evaluate how to market and promote our school meal program(s).

We regularly share school meal nutrition, calorie, and sodium content information with students and families

We participate in Farm to School activities and/or have a school garden.

We only advertise and promote nutritious foods and beverages on school grounds (e.g. buildings, playing fields, etc).

We price nutritious foods and beverages lower than less nutritious foods and beverages.

We offer fruits or non-fried vegetables in: Vending Machines School Stores Snack Bars a La Carte – **NOT APPLICABLE**

We have nutritional standards for foods/beverages served at school parties, celebrations, events, etc.

Yes	No	IV. Other School-Sponsored Activities
-----	----	--

- Our district's written wellness policy includes measurable goals for other school-sponsored activities that promote wellness.
- We provide training to staff on the importance of modeling healthy behaviors.
- We provide annual training to all staff on: Nutrition Physical Activity
- We have a staff wellness program.
- We have school district staff who are CPR certified (e.g. teachers, coaches, counselors, food service staff).
- We actively promote walk or bike to school for students with Safe Routes to School or other related programs.
- We have a recycling/environmental stewardship program.
- We have a recognition/reward program for students who exhibit healthy behaviors.
- We provide teachers with alternative celebration/reward options other than food or beverages.
- We have community partnerships which support programs, projects, events, or activities.

Yes	No	V. Nutrition Standards
-----	----	-------------------------------
