

## SCHOOL BUS REGULATIONS

The purpose of student transportation is to transport those pupils who live too far away to walk to school. It is founded on the basis of necessity. This does not mean that the school district is compelled to transport any student who does not conform to the necessary rules and regulations. The following co-operation is expected from all students riding school buses:

1. Students are expected to conform promptly to the suggestions of the bus driver.
2. Be on time at the designated bus stops. **BUSES CANNOT WAIT!**
3. Stay off the roadway at all times while waiting for the bus.
4. Cross in front of the bus when crossing highway, not in back of the bus.
5. Wait until the bus has come to a complete stop before attempting to enter or leave the bus.
6. Keep hands and head inside of the bus at all times.
7. Never open rear safety door except in case of an emergency.
8. Unloading through the rear door is illegal except for emergencies.
9. Occupy any seat assigned by the bus driver.
10. No smoking or use of any illegal drugs is permitted on buses at any time.
- 11. No standing while bus is in motion.**
12. Consumption of food or drink will be at the discretion of the driver.
13. Other reasonable rules as established by the administration and/or individual bus driver.

**Failure to follow these rules will result in the following consequences:**

**1st Offense**-Assigned seat by bus driver and parents notified.

**2nd Offense**- Assigned seat by bus driver, detention, parents notified, and/or possible loss of riding privileges for up to one week.

**3rd Offense**- Assigned seat by bus driver, detention, parents notified, and/or loss of riding privileges for remainder of school year.

**The administration of the school may withdraw the privilege of riding the bus on any route if the behavior of the pupil interferes with the safety of other students or causes damage to the school bus.**
