Dear Parents,

Every few years the school districts need to take a count of all persons under age 18 years of age who live within the school district. All persons under age 18, whether married or single, as well as preschool children are important to count. This count is important to our local school officials for planning education that meets the needs of all students.

Please list all members of your family who are under the age of 18 as of July 31, 2019. Also list the first name and last names of both parents or guardians, address and telephone number. Please return this form to the high school office by April 1, 2020.

Thank You,

Andrea Lauer
Business Manager
