

## **NEWS COVERAGE OF BOARD MEETINGS REGULATIONS**

Radio and television stations desiring to report proceedings of regular public meetings of the Board from the floor of the meeting room, either live or delayed and including regular newscasts, are requested to notify the Board President at least 24 hours before the meeting is held. This request will enable the Board to render assistance to the news media and help the Board ensure that the scheduled meeting room is an adequate size and suitably equipped for media coverage. Should the venue for a meeting need to change as a result of a media request to broadcast, the Business Manager shall provide notice of this change as required by law.

The Board President shall attempt to notify board members when the media will broadcast a board meeting.

At the meeting, radio and television personnel will be asked to remain at least five feet away from the board table when the Board is in session so as not to obstruct the view between the Superintendent, Board President, and board members. Reporters shall not approach the table with microphones during the meeting. These rules are meant to help ensure that the board meeting is not unduly disrupted.
