

STUDENT ACCIDENTS

The District shall follow its medical emergency response procedure if a student is injured while at school or during a school-sponsored event. The District shall develop a protocol for notifying a student's parent/guardian in the event of an injury. This protocol shall contain notification procedures for injuries that occur on school property during school hours, on school-sponsored trips, and during extracurricular activities.

In the event of a severe injury, an ambulance shall be called. When an ambulance is unavailable, a medical or school official will transport the student to a medical facility.

Exception to this Policy

The district's policy and regulations on concussion management shall supersede any district emergency response policies/regulations when the concussion management policy/regulations are applicable.
