

STUDENT VEHICLES ON SCHOOL PROPERTY

Use of school roads and parking lots is a privilege extended to students by the Board. Each building principal shall establish rules related to the forms of student transportation permitted on school property, the parameters of their use, consequences for misuse, and traffic safety. At a minimum, students shall be expected to observe all driving, safety, and noise control ordinances and/or laws.

The District will coordinate with the local police department in order to help ensure traffic safety coverage on and around school property.

Searches of Vehicles

When student vehicles are parked on school property, the school retains the authority to inspect the interior of a vehicle when a school official has reasonable suspicion that the vehicle contains illegal or unauthorized materials. Such inspections shall be conducted in accordance with the district's policy on searches of students' personal property.

Prohibition on Use for Errands

Students shall not be sent on school errands with cars.
