

PURCHASING COMPUTERIZED DATA SYSTEMS

All purchases of computers, whether for a school building or for an administrative unit, must be approved and authorized by the Superintendent. Computer purchases must fit into a long-term plan for computer use and expansion within the District.

Purchases shall be subject to the bid requirements of North Dakota law when the expenditure is of an aggregate amount equivalent to the bidding threshold amount as established by law for public schools.

End of McClusky School District #19 Policy HCAD Adopted: May 8, 2018
