

**EXTRACURRICULAR PARTICIPATION REQUIREMENTS****Philosophy**

The Board believes that participation in extracurricular activities constitutes a privilege and not a right. Students who participate in extracurricular activities represent the student body, school district, and community on the state and national level. As such, behavior of these students is a reflection on the entire community.

The District will enforce the requirements placed on extracurricular participants by the North Dakota High School Activities Association (NDHSAA), which govern both on- and off- campus behavior. In addition, the Board has established the following extracurricular participation requirements.

**Activities Affected by this Policy**

Activities affected by this policy shall include extracurricular activities as listed in the student handbook, including those not sponsored by NDHSAA.

**Academics**

NDHSAA requires that local districts establish a definition of what constitutes a failing grade. For the purposes of this policy, a failing grade is defined as receiving an 'F' in any curricular course as computed from the beginning of the semester for regular education students or, in the case of special education students, not meeting the goals of Individual Education Programs as assessed from the beginning of the semester.

In addition to NDHSAA academic standards, the McClusky School District also requires that no student may participate in a contest if he or she is failing one or more classes as computed from the beginning of the semester.

**Violation of Other Misconduct Policies**

Students who violate student conduct policies not covered by NDHSAA bylaws may be subject to suspension from extracurricular activities for a period of six consecutive weeks for the first offense and a period of up to eighteen weeks for any subsequent offense(s). Such consequences shall be imposed in addition to other disciplinary consequences imposed under the applicable policy.

**Suspension Procedure**

When the principal or Superintendent, as a result of his/her investigation, concludes that a violation of this policy or NDHSAA bylaws has occurred, s/he shall issue notice to the student of this suspension.

**Practice and Travel while Suspended**

Students who are under suspension are encouraged to practice but not travel with their respective teams. However, suspended students will not be allowed to miss school time to travel with the team.

**Accumulation of Violations**

A student's record of violations of this policy shall be cumulative commencing with promotion from grade eight to grade nine and concluding upon his/her graduation

or completion of any school-sponsored activity extending beyond graduation (e.g., state track meet).

### **Off-Season Violations**

In addition to the penalties delineated in this policy, in the event the suspension is administered during a season when the student is not actively participating (e.g., summer for all students, fall for a student participating in track), the student's suspension shall be extended to include a minimum of a two-week or two-contest suspension (whichever is more severe) from the student's next activity. "Next activity" shall be defined as the next activity in which the student begins practicing at the appropriate date and concludes at the end of the season (i.e., does not start and quit). Should the student's next activity not be until the following school year, the two-week or two-contest rule will be applied at that time.
